

**EPSON**<sup>®</sup>  
EXCEED YOUR VISION

Projected image simulated

## Home Cinema 5030UBe Wireless 2D/3D 1080p 3LCD Projector

Up to **3x**  
**Brighter Colors**  
with  
Epson<sup>®</sup> Projectors<sup>1</sup>

### Wireless 2D and 3D high-definition dedicated home theater projector with THX certification and Ultra Black levels.

**Up to 3x Brighter Colors<sup>1</sup>, and reliable performance** — 3LCD, 3-chip technology

**One measurement of brightness is not enough** — look for both high color brightness and high white brightness. The Home Cinema 5030UBe has:

Color Brightness: 2400 lumens<sup>2</sup>

White Brightness: 2400 lumens<sup>2</sup>

**Full HD 1080p, widescreen performance** — for movies, games and more — up to 300" on virtually any wall or screen

**Wirelessly transmit HD content** — watch Full HD 1080p wirelessly; wireless transmitter has five HDMI inputs, including one MHL-enabled HDMI port

**Versatile connectivity for your HD devices** — projector features two HDMI ports; wireless transmitter includes five HDMI ports, one that's MHL enabled

**Exquisite detail** — up to 600,000:1 contrast ratio, plus Super-resolution technology

**Place the projector virtually anywhere** — 2.1x zoom and the widest horizontal lens shift available make it easy

**Advanced video quality** — THX certification ensures exceptional video performance

**New Classic Black-and-White Cinema Mode** — ideal for rendering black-and-white hues as the original filmmakers intended

**Exciting 2D/3D adventures** — eye-popping 3D entertainment at home with the included RF 3D glasses

**Stunning picture uniformity and color** — features a state-of-the-art Fujinon<sup>®</sup> lens and built-in cinema filter

**Outstanding support** — two-year limited warranty and toll-free support

# Home Cinema 5030UBe Wireless 2D/3D 1080p 3LCD Projector

## Wireless 2D and 3D high-definition dedicated home theater projector with THX certification and Ultra Black levels.

Enjoy a true cinematic experience at home with the easy-to-use, wireless Home Cinema 5030UBe. Stream Full HD 1080p content in seconds, thanks to Wireless HDMI. Get inside the action of sporting events, films and videogames with 2D/3D Full HD 1080p performance. Images are rich and real with 2400 lumens of color brightness and 2400 lumens of white brightness<sup>2</sup>. AV enthusiasts will appreciate the exquisite detail of a contrast ratio up to 600,000:1. And, setup is simple with the horizontal and vertical lens shift and 2.1x zoom. The 5030UBe even features THX display certification for natural textures and a film-like movie experience. So, sit back, relax and enjoy the show.

### Up to 3x Brighter Colors with Epson®<sup>1</sup>

Brilliant image quality requires high color brightness (color light output), and Epson 3LCD projectors have up to 3x Brighter Colors than leading competitive projectors.<sup>1</sup>

One brightness measurement (lumens) is not enough. A projector's specification needs to show both high color brightness and high white brightness. If color brightness is lower than white brightness, images may be dark, dull and lose detail. If not provided, be sure to ask for a projector's color brightness specification.

#### EPSON

High color brightness and high white brightness

#### COMPETITOR

Color brightness significantly lower than white brightness

Actual photographs of projected images from an identical signal source. Price, resolution and white brightness are similar for both projectors (Epson 3LCD and 1-chip DLP competitor). Both projectors are set to their brightest mode.

### 3LCD — The #1 projection technology in the world

- All 3LCD projectors have both high color brightness and high white brightness
- All 3LCD projectors have 3 chips
- 25% lower power consumption for lower energy costs<sup>3</sup>
- 20 years of road-tested reliability

### Exquisite detail

The Home Cinema 5030UBe features:

- An incredible contrast ratio up to 600,000:1
- Super-resolution technology (now in 2D and 3D)
  - Makes DVDs and standard and high-definition content come alive via its mixed color separation techniques and imaging simulation
  - Delivers crisp, clear images with super-high-quality resolution
  - Sharpens blurry images that have been enlarged by a general upscaling process
- Auto iris technology (for both 2D and 3D) — adjusts the aperture to provide the optimum contrast and brightness for each scene

### Stunning picture uniformity and color

A state-of-the-art Fujinon lens delivers images the way filmmakers intended them to be seen, with amazing clarity, while the built-in cinema filter ensures brilliant, true-to-life color.

## The best-selling projectors in the world.

Built with image quality and reliability in mind, Epson high-definition projectors take home theater entertainment to a whole new level, featuring color and detail that's sure to win rave reviews from friends and family alike.

## Project anywhere without running extra wires

There's no need to worry about drilling holes, running cables or taking a lot of time for complicated software installations. Just plug your projector into a power source. The wireless receiver is built in, so you do not need to connect anything else. And, the wireless transmitter's compact design allows it to blend into any environment. The Epson transmitter streams a Full HD signal wirelessly, so you can keep things tidy, and keep your AV equipment separate from your projector.

## Secure, uncompressed, wireless transmitting of Full HD 1080p video

The Epson Wireless HDMI transmitter streams reliable, HD 1080p video, within the same room, at a distance of up to 32 feet. And, no Wi-Fi® network is required. It runs on a dedicated 60 GHz band. The system is HDCP compliant and can stream copy-protected content. Its fast signal transfer ensures real-time transmission of HD media. The wireless transmitter provides a secure connection that resists interference with nearby wireless routers. Connect your receiver, Blu-ray® player and game console, and stream devices like Roku®, Apple® TV, and more. You can even connect speakers via the optical connection. View a second device using the wireless Picture-in-picture Mode. Switch between up to five connected devices with the Preview Mode. The wireless transmitter connects to up to five HDMI devices simultaneously (including one MHL-enabled port), and has one HDMI out connection, and one optical port.

## Pass-through Mode

Set up your AV equipment once, connecting to both your projector and a second display device such as a TV. Whether you want to view content on your projector or your second device, you no longer need to unplug and re-plug in your devices. All you need to do is connect both devices to the Epson Wireless HDMI transmitter and then choose which display device you'd like to use.

## Easy setup with the latest in connectivity

The Epson Wireless HDMI plug-and-play installation allows you to power up, connect, and start using connected devices immediately. You can even plug in your MHL-enabled devices and use the projector to display content from smartphones and tablets, including movies, games and more.

## Two rechargeable RF 3D glasses included

Enjoy 3D adventures from any seat in the house. Line of sight is not required with the included RF 3D glasses. Rechargeable for up to 40 hours of battery life\*, these innovative glasses have a 3-minute quick-charge feature for up to 3 hours of battery life.

## THX display certification

Featuring THX 2D and 3D Cinema Modes, the 5030UBe matches the color, luminance, blacks and gamma found in the filmmaker's studio. For further fine-tuning, all THX Modes can be accessed by THX Professional Calibrators. Ideal for dedicated home theaters, the 5030UBe:

- Ensures accurate picture quality, adhering to performance standards for black levels, resolution, contrast, color gamut and signal processing
- Features a playback setting that lets viewers experience studio color and black levels, with few calibration adjustments

## Full HD 1080p entertainment in 2D and 3D

Full HD 1080p resolution ensures the ultimate home cinema, while high color brightness delivers vibrant image quality — whether it's a blockbuster movie, live sporting event or videogame. With the included RF 3D glasses, the Home Cinema 5030UBe puts you right in the middle of the action.

## Specifications

**Projection System**  
Epson 3LCD, 3-chip technology

**Projection Method**  
Front / Rear / Ceiling mount

**Product Color**  
White and Black

**Driving Method**  
Epson Poly-silicon TFT Active Matrix, 0.74-inch wide panel with MLA

**Projected Output**  
HD, 2D, 3D, 1080p

**Pixel Number**  
2,073,600 dots (1920 x 1080) x 3

**Color Brightness<sup>2</sup>**  
Color Light Output: 2400 lumens

**White Brightness<sup>2</sup>**  
White Light Output: 2400 lumens

**Aspect Ratio**  
Native 16:9 widescreen  
Compatible with 4:3

**Native Resolution**  
Native 1080p (1920 x 1080)

**Resize**  
16:10, 4:3

**Lamp Type**  
E-TORL® 230 W UHE

**Lamp Life<sup>7</sup>**  
Up to 5000 hours (ECO mode)  
Up to 4000 hours (Normal mode)

**Throw Ratio Range**  
1.34 – 2.87

**Size (projected distance)**  
30" – 300" (Zoom: Wide and Zoom: Tele)

**Keystone Correction**  
Vertical: ± 30 degrees (Manual)

**Contrast Ratio**  
Up to 600,000:1

**Color Reproduction**  
Full-color (1.07 billion colors)

**Color Processing**  
Full 10-bit (Partial 12-bit)

## Projection Lens (continued)

**Zoom Ratio**  
1 – 2.1

**Lens Shift**  
Vertical: -96.3% to +96.3%  
Horizontal: -47.1% to +47.1%

**Lens Cover**  
Powered, Slide Lens Shutter

## Other

**Display Performance**  
1920 x 1080 native 1080p; HD, 2D, 3D, 2D-to-3D conversion

**Color Modes**  
2D: Dynamic, Living room, Natural, THX, Cinema, B&W Cinema  
3D: Dynamic, Cinema, THX

**Epson Cinema Filter**  
Automatically adjusts to color mode;  
(On: Natural/THX/Cinema/B&W Cinema;  
Off: Dynamic/Living Room/3D Dynamic/  
3D Cinema/3D THX)

**Auto Iris in 2D and 3D**  
Automatically adjusts to video source;  
Off/On: High-speed or Normal, 2D and 3D mode

**Super-resolution**  
2D and 3D

**Input Signal**  
Composite: NTSC / NTSC4.43 / PAL / M-PAL / N-PAL / PAL60 / SECAM  
Component: 480i / 576i / 480p / 576p / 720p / 1080i / 1080p  
HDMI: TMDS

**Terminal Inputs**  
2 x HDMI  
1 RS-232c  
1 RCA (composite)  
3 RCA (component)  
1 VGA D-sub 15 pin (computer input)

**Terminal Outputs**  
Trigger On/Off (3.5 mm stereo jack) 12 VDC  
200 mA (max.)

**Computer Compatibility**  
PC, Mac®

**Operating Temperature**  
41 °F to 95 °F (5 °C to 35 °C)

**Power Supply Voltage**  
100 – 240 VAC ± 10%, 50/60 Hz

**Power Consumption**  
350 W Lamp on  
280 W Lamp on (ECO)

## Other (continued)

**Fan Noise**  
22 – 32 dB

**Security**  
Kensington Security Lock Port

## Dimensions (W x D x H)

Including feet 18.34" x 15.5" x 6.2"  
Excluding feet 18.34" x 15.5" x 5.5"  
Weight: 18.9 lb

## Remote Control

**Features**  
Front and rear directional

**Operating Distance**  
32 ft (10 m)

**Operating Angle**  
Front  
Right/Left: ± 30 degrees  
Upper/Lower: ± 30 degrees  
Rear  
Right/Left: ± 30 degrees  
Upper/Lower: + 10 – + 70 degrees

## Wireless HD Transmitter

**Power Consumption**  
11V 1.2A

**Operating Altitude**  
0 to 7500 ft

**Storage Temperature**  
14 °F to 140 °F (-10 °C to 60 °C)

**Dimensions**  
6.9" x 5.0" x 2.0" (W x D x H)

**Safety**  
UL 60950-1 2nd edition (cTUVus Mark)

**EMC**  
FCC Part 15B Class B

**Wireless**  
FCC Part 15 Subpart C 15.255

**Input**  
HDMI x 5, including 1 MHL enabled

**Output**  
HDMI x 1, Optical Audio x 1, USB Type A x 1 (3D Glasses Charging)

**Wireless HD Type**  
Beam Forming WirelessHD 1.0b 60 GHz Band (QPSK, 16-QAM, BPSK) 2 ch and 3 ch

## Parental Controls

**Power Button Lock**  
Hinders projector from being turned on without parental supervision

## Support

**The Epson Connection<sup>SM</sup>**  
Pre-sales support U.S. and Canada  
800-463-7766 www.epson.com

**Service Programs**  
Two-year projector/One-year 3D glasses limited warranty, Extra Care<sup>SM</sup> Home Service program, PrivateLine<sup>SM</sup> dedicated toll-free support (U.S. and Canada only) and 90-day limited lamp warranty

## What's in The Box

PowerLite Home Cinema 5030UBe projector, power cord, two HDMI cable clamps, remote control with AA batteries, CD-ROM with user guide link, two RF 3D glasses, wireless transmitter with AC adapter, 3D glasses charging cable, Quick Setup Guide

## Optional Accessories

Kensington Security Lock	ELPSL01
Repair/Exchange 1-year extended service plan	EPPSNVHTRB1
Repair/Exchange 2-year extended service plan	EPPSNVHTRB2

1 Compared to leading 1-chip DLP Home Entertainment Projectors. Epson 720p projectors are 3x Brighter; Epson 1080p projectors are consistently 2x and up to 3x Brighter. Based on NPD data, July 2011 through June 2012. Color brightness (color light output) measured in accordance with IDMS 15.4. Color brightness will vary depending on usage conditions.

2 Color brightness (color light output) and white brightness (white light output) will vary depending on usage conditions. Color light output measured in accordance with IDMS 15.4; white light output measured in accordance with ISO 21118.

3 Data source: ProjectorCentral.com Jan. 2013. Average of 1128 shipping models for which the manufacturers provided lumens and total power data, all resolutions and brightness levels. Energy efficiency was measured as wattage per lumen. It was measured for both 3LCD and 1-chip projectors in each of five brightness segments. 3LCD projectors averaged less required electricity per lumen in each of the five segments.

4 Battery life varies based on usage conditions.

5 See our website for convenient and reasonable recycling options at www.epson.com/recycle

6 SmartWay is an innovative partnership of the U.S. Environmental Protection Agency that reduces greenhouse gases and other air pollutants and improves fuel efficiency.

7 Lamp life will vary depending upon mode selected, environmental conditions and usage. Lamp brightness decreases over time.
