

QUMI Q3 PLUS

Ultra-Compact and Light,
LED Projector Primed for Digital HD Projection

FEATURES

- Native HD 720p resolution with HD 1080p compatibility
- Bright 500 lumens and a 5,000:1 contrast ratio for brilliantly vivid and detailed images
- Project a large and wide screen image up to 100" (2.6 m) diagonal
- Digital auto keystone correction with motorized focus for ease of operation
- Quad-Core CPU at 1.5GHz on an Android™ v.4.4.2 operating system
- Long-life, energy-efficient RGB LED lamp with an estimated 30,000+ hours of operation
- An embedded, rechargeable battery (8,000 mAh) provides HD projection, anywhere, for up to 2 hours
- Wirelessly mirror and project documents, photos, movies and other content from your mobile device
- Bluetooth enabled for easy and convenient connectivity to other devices: speaker(s), keyboard, mouse
- Integrated media and document viewer conveniently displays documents, photos, videos or audio files, without connecting to a PC, from a USB or microSD or directly from the on-board memory (8GB, expandable to 64GB)
- Built-in two watt (x2) audio speaker with multiple audio ports for easy connection to other audio devices
- A tripod mount and swing-out, front foot allows quick and convenient setup
- The compact and light-weight profile, 1lb, gives the ultimate mobile flexibility

Qumi Q3 Plus

Home or office, the Q3 Plus offers entertainment enthusiasts and business travelers the ability to project HD video and data, anywhere, even on the go. Q3 Plus is a feature-rich, multimedia pocket projector with an ultra-light, thin profile that's small enough to carry in a bag. It delivers bright and vividly colorful images with up to 500 lumens and a 5,000:1 contrast ratio. Packed full of advanced display features, the Q3 Plus projects from a variety of devices, including digital cameras, laptops, smart phones, tablets, USB and microSD, or directly from its 5.1 GB available on-board memory. The convenient wireless content sharing from Android and iOS devices allows for on-the-go entertainment, in the palm of your hand.
