

LED PICO

Pocket Projector

aaxa
TECHNOLOGIES

The AAXA LED PICO is a low-cost 25 Lumen Pico Projector with best-in-class resolution. Designed as a gadget for today's discerning mobile technology user, the AAXA LED PICO features a lofty 960x540 (qHD) native resolution made possible through LCoS (Liquid Crystal on Silicon) technology and mated to a 15,000 hour LED light source. At just 4.25" x 2.36" x 0.7" in size, the LED PICO is about the same size as most cell phones, yet is capable of delivering a stunning 50" image in dark environments.
